Along the way, the story comes to life with over sixty of Irving Berlin's most beloved songs, including the classics "Blue Skies," "There's No Business Like Show Business," "Puttin' on the Ritz," "Cheek to Cheek," "Always," "God Bless America" and, of course, "I Love a Piano." Alternately heartbreaking and hilarious, rousing and reflective, and a fitting tribute to the man Jerome Kern famously said had "no place in American music - he is American music." 	1:30 PM
