On July 29, 2013, our local afterschool program, ARCH, will be hosting our first annual *ARCH Summer Art Fair* at the Kentwood Public Library. Our 10 Kentwood Public School sites will be creating a mural and displaying other art work that the students have created this summer.

The information for the event is as follows:

What: ARCH Summer Art Fair/Refreshments, food, and live music
When: July 29, 2013
5:00-7:00
Where: The Richard L. Root Kentwood Branch Library
4950 Breton SE
Kentwood, MI 49508

The benefits of quality afterschool programs are to support working families by ensuring that children are safe and productive when the school day ends. Quality afterschool programs make our communities stronger by involving students, parents, business leaders and volunteers. They give children the opportunity to discover hidden talents as they grow academically and socially.

We hope you will join us for the *ARCH SUMMER ART FAIR* on July 29th.

Sincerely,

Val Romeo, City of Kentwood Parks and Recreation ARCH Project Director
